## I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God has laid you see.  
I took His hand when I heard His call  
I turned my back and left it all.

I could not stay another day  
To laugh, to love, to work or play.  
Tasks left undone must stay that way  
I found the peace at the close of day.

If my parting has left a void  
Then fill it with remembered joys - -  
A friendship shared, a laugh, a kiss  
Oh yes, these things I too will miss.

Be not burdened with times of sorrow.  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much,  
Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief - -  
Don't lengthen it now with undue grief.  
Lift up your hearts, and peace to thee - -  
God wanted me now: He set me free.
